FOREWORD

WITH the publication of this issue of the Wampum, we bring to a close our days in Warren High School. They have been happy days—happy in the friendships we have made, happy in the understanding guidance of our teachers, and happy in the atmosphere of freedom in which they have passed.

We hope that this book will serve not only to remind us of the happiness we have known in sharing in this freedom, but also to make us realize that this freedom must be preserved for future students to enjoy. If the book fails in this, then we shall have failed.

CLASS MOTTO

"To thine own self be true"

ANTHONY ALFANO

Tony never has much to say about class activities. He is an industrious young man in his studies and intends to pursue a career in the business world. We hope the achievement of this goal is not too far in the future.

Orchestra 3; Baseball 4

CONSTANCE BARDEN

C.B. is the most willing and self-sacrificing student among us. Her unselfish loyalty to our class and all its members will long be remembered. She's been a true friend and perfect classmate.

Glee Club 1, 2; French Club 1; Health Club; Soph Hop; Junior Prom; Tomahawk Editor; Honor Society

CHARLES BESAW

Charlie is little but "Oh! My!" Class-rooms wouldn't be the same without his giggle or spontaneous outbursts. He has been an active member of our class.

Soph Hop; "Christmas Dinner"; Junior Whist Committee; Junior Prom Committee; Tomahawk Staff; Basketball Manager 4

ALFRED BOSWORTH, JR.

"Bud" has contributed greatly to the success of our class. This tall lad has been one of the best athletes in the history of our school. His friendliness, pleasing personality and brilliance will keep him right on top.

Basketball, Baseball, Football 3, 4; Junior Prom; "Christmas Dinner"; Photo Club; Tomahawk, Wampum Staffs; President 4; Honor Society

BLANCHE BOUFFARD

Here is a Senior relatively quiet but willing and anxious to have fun with her fellow students. Blanche hasn't any ambition as yet but I am sure she will succeed in whatever field she may select.

Glee Club 1, 2, 3; French Club 1, 2

IRENE BOUFFARD

Irene is a quiet, studious girl who likes reading and enjoys the movies. Her ability to make friends easily and her pleasing disposition have won her many lasting friends.

MARY BROWN

Mary is a quiet girl but is very pleasant. She is quite an artist although her desire is to become a nurse. Whichever you choose, Mary, we wish you luck.

French Club 1, 2, 3; Health Club 3; Drawing Club 3, 4; Tomahawk, Wampum Staffs; Honor Society

FLORENCE CAMPBELL

Flossie, our one and only red head, is petite and has grey-green eyes. Snappy clothes and a winning personality should assure her success in her chosen career of becoming a stylist.

Soph Hop; Junior Dance Committee; Senior Dance Committee; Junior Prom Committee; Tomahawk Staff; Honor Society

HENRIETTE COTE

"Hon" (pronounced on), is one of the "petite mamselles" of the class. Seldom a week goes by that she doesn't come to school sporting a new hair-do. We are sure that she will be a successful vocalist with some band.

Soph Hop Committee; Glee Club 1, 2, 3, 4; French Club 3; Health Club 3; Junior Prom Committee; "So Wonderful!" (In White)

VINCENT FERRAZZANO

Vin is one of our best athletes. He is also voted the best dancer of the class. He intends to follow in his father's footsteps, so we'll see "Ferrazzano's Florist Shop" for a long time to come.

Vice President 2; Soph Hop Committee; Junior Dance, Whist, Prom Committees; Football 1, 2, 3, 4

VINCENT HAMEL

This happy-go-lucky lad, who is seen almost invariably with a camera, is one of the most obliging members of our class. He is also the only male politician of History 4B.

Soph Hop Committee; Junior Dance Committee; Senior Dance Committee; Basketball 4; Football 3; Baseball Manager 4

EILEEN HENNEBERRY

When a class or class meeting begins to get dull, one can trust Hucky to pep it up. She attributes her frequent outbursts to her Irish temper. But all told, Hucky is indispensable to the class.

Junior Whist, Dance, Prom Committees; Senior Dance Committee; Student Council 3; Tomahawk, Wampum Staffs; Health Club; "So Wonderful!" (In White); "Christmas Dinner"

JAMES HICKEY

Jimmy is one of the few shy boys in our class. He is quite popular though, in spite of his shyness. Because of his love of books and literature he intends to start out as a bookstore clerk. We're sure that in his slow and patient way Jimmy will be a success in life.

JANE HOLMES

Jane is the outstanding girl of our class, and rightly so! If there's a job to be done, she's there to do it. We couldn't ask for a better sport at "work or at play." Good luck, Jane!

Soph Hop Committee; Secretary 1, 3, 4; Junior Prom Committee; "Christmas Dinner"; Senior Dance Committee; Tomahawk, Wampum Staffs; Honor Society; D. A. R. Award

CHRISTINE INCOLLINGO

Chris is the second member of the triumverate of Fran, Chris, and Hucky. She can certainly hold her own in an argument and for this reason was named business manager of the Tomahawk. She can "truck on down" with the best of them and is always willing to help a beginner.

Glee Club 1, 4; Junior Whist, Dance, and Prom Committees; Wampum, Tomahawk Staffs; Vice President 4; Health, Pep Clubs; Senior Dance Committee; "So Wonderful!" (In White)

IRENE JENKINSON

Looking for someone with the perfect disposition? Quiet, yes; but she is always ready with a smile whether it hurts or not. It makes no difference what the situation may be, Irene is the "piece" that will fit into any puzzle.

Soph Hop Committee; Glee Club 1, 2; French Club 1, 2; Health Club 3; Junior Prom, Dance Committees; Senior Dance Committee; Honor Society

GRACE JOHNSON

"Our fair beauty" certainly describes Gracie. She appears quiet and demure but if you look closely you can see a mischievous look in her eye. Bunches of Luck, Gracie!

Junior Prom Committee; Student Dance Committee; Senior Dance Committee; Honor Society

PEARL KIRKLEWSKI

Here's our good-natured classmate Pearl. She is always ready to join in whatever fun may be found and when things are dull she can always be depended on to start things humming.

French Club 1, 2; Health Club 3; Junior Dance, Prom Committees; Senior Dance Committee; "So Wonderful!" (In White); Honor Society

MILDRED KORDAS

Mildred only seems indifferent. When you know her she really is loads of fun. She always wanted to be a nurse. We hope her dreams are realized because with her disposition she'd make an ideal nurse.

CLAIRE LAFERRIERE

Claire is a very quiet and loyal friend who is well-liked by everyone. She is one of our most popular classmates and can always be depended on to do her best when called upon.

Health Club 3; "Christmas Dinner"; Wampum Editor; Honor Society

Glee Club 2; Health Club 3; Honor Society

EILEEN LOWNEY

Eileen used to be the tomboy of the class, but now—well you can see for yourself. She is the prettiest girl in the class. She can usually be found with Teresa, her bosom pal.

Health Club 3; Honor Society

BERT LUTHER

This tall, slim and handsome fellow needs no introduction. His loyalty to the class and willingness to help in all school activities is admired and appreciated by all.

Photo Club 3; President 3; Junior Prom Committee; Junior Dance Committee; Wampum Staff; "Christmas Dinner"

WILLIAM LUTHER

This handsome light-haired laddie was chosen as the best actor and best dressed Senior boy. Bill's very active and has scientific tendencies which he will develop at Brown next year.

Basketball 1; Baseball 4; Junior Prom Committee; Senior Dance Committee; Orchestra 1, 4

SOPHIA MARSZALEK

Sophia's ability and her interest in dramatics won her the title of "Best Actress". She is to become a member of that great institution—teaching—and knowing her record here and her personality, we're sure she'll make a fine one.

Junior Whist, Dance, Prom Committees; Tomahawk Staff; Senior Dance Committee; "The Dummy," "Christmas Dinner," "So Wonderful!" (In White)

Fran has been responsible for the attractive decorations we have had at our dances. Not only by working hard to make all socials a success has she shown her loyalty, but also by cheering our teams on when they needed it most.

Social Chairman 4; Soph Hop Committee; Vice President 3; Health Club 3; Junior Prom, Dance, Whist Committees; Honor Society

CONSTANCE MAXFIELD

"Never mistake that gait or that laugh"—sure it's Connie! Her "stick-to-it-tiveness" and everlasting pep have made her a joy to be with and a classmate of whom we are justly proud.

Soph Hop Committee; Junior Prom Committee; Tomahawk Staff; Wampum Staff; "So Wonderful!" (In White); Honor Society

LORRAINE MCKENNA

"Micky", as she is known to her classmates, is the most humorous member of our class. We are sure her smiling good nature will help her in her future career.

Soph Hop Committee; French Club 1, 2; Health Club 3; Junior Prom Committee; Junior Dance Committee; Tomahawk Staff; Wampum Staff

MARIE MCNERNEY

It was Cranston High's sad loss and our gain when Marie came to Warren in her Sophomore year. We not only got a pleasant girl but also an exceptionally fine dancer.

Junior Prom Committee; Honor Society

DONALD MEDLEY

"Plump," placid and pleasant describes Donald to a "T". His contagious laugh is well known about the school. Much of the success of this yearbook may be accredited to him—he's been a real go-getter.

Tomahawk Staff; Wampum Staff; Orchestra 2, 3, 4; Photo Club

ROBERT MILLER

Bob was chosen by his classmates as most handsome and we think they knew what they were doing. Bob is a boat builder and a sailor—just what the navy needs.

Junior Dance Committee; Junior Prom Committee; Photo Club 3; Tomahawk Staff; Wampum Staff; Orchestra 1, 2, 3, 4

JOSEPH MIS

Joe is a very active member of our class and is well liked by everyone. He has made a very fine class treasurer—the post which he has held for two years. To future aviator Joe Mis—smooth flying.

Treasurer 3, 4; Junior Prom Committee; Senior Dance Committee

OLGA PAIVA

Presenting Olga—the perfect worker—always willing to help the Seniors in her commercial way. And when it comes to selling tickets—just watch the little lady go to town.

Glee Club 2; Health Club 3; Junior Prom Committee; Student Dance Committee; Senior Dance Committee; Orchestra 2, 3, 4; Wampum Staff; Tomahawk Staff

DONALD PRIMIANO

Entitled the Commercial Artist of '41. We are indebted to Don's artistic ability for the attractive mast-head of our Tomahawk. We wish you luck with your career, Don.

Tomahawk Staff; Wampum Staff

TERESA RAGOSTA

Teresa is that Senior always seen with Eileen Lowney—we can't tell which is the shadow! Teresa's brown curly hair and big blue eyes are the envy of many of us.

Health Club 3; Honor Society

MABEL ROSE

Mabel is the valedictorian of our class. Although she enjoys being jolly she never puts pleasure before her studies. She is neat in appearance and is an excellent typist.

Soph Hop Committee; President 1, 2; Wampum Staff; Tomahawk Editor

DORIS SINCLAIR

Despite an outward appearance of shyness and reserve, Doris, when you really know her, is very friendly and gracious. We know she'll make an ideal nurse.

ELLA STOCKTON

Ella is well liked by the members of the class because she is so pleasant to talk with. She is also very brilliant in her studies. With such qualities she is certainly destined for success.

Health Club 3; Glee Club 1, 2, 3; Class Historian;
Honor Society

ELLEN STOCKTON

Ellen Stockton is a very nice young lady,—quiet and shy in school, but quite the opposite among friends. Neat and clean in her appearance, intelligent and ambitious, she has a very fine chance of making her own place in the world.

Health Club 3; Honor Society

MANUEL TRAVIS

Manuel Travis is a small, quiet, shy boy who gets along with his friends very pleasantly. His ambition points to aviation, as is shown by his hobby of model aeroplane building. With his pleasing ways he will succeed.

ANNA WAKEM

Very sociable and well liked by her classmates, Anna, despite her quiet attitude possesses a jovial nature which has won her many friends. She has qualities which will surely enable her to attain success.

CLASS SONG

Tune of Stout Hearted Men

Ours is the Class
As was seen in the past
We will not be the last to go on.
We'll never rest
Till the better is best
And we'll fight till the test is won.
Never give way
Till at last comes the day
When we're sitting on top of the world.
CHEER!! The Senior Class is calling,
And we'll never stop.
CHEER!! Oh '41's imploring we will
come out on top.

CLASSES

JUNIORS

- 1938 The year in which we entered Warren High, with a keen anticipation of the years to follow. Our scheduled class meeting to elect class officers was disrupted by the September hurricane, and no further attempt was made toward class organization.
- 1939 Sophomores! Now we were surely on our way, and so it was with great zeal that we chose Mr. Cappuccilli as class advisor. The body of officers consisted of: President, William Rodrigues; Vice President, Edgar St. John; Secretary, Lois Staples; and Treasurer, Marshall Martin, Jr. The plans which we proposed for a Hallowe'en hayride instead of a party, never bore fruit.
- 1940 Found us full of enthusiasm and renewed hope for the complete unity our first years lacked. Under the guiding hand of Mr. Conway, we have been quite successful in achieving this. The capable body of class officers, together with the cooperation of the class, have made our Junior year far more active than we had even dared hope. We held a dance profitably and a military whist, and presented a play on our class day, most successfully. This year, our class has been active in sports, being represented on the football, basketball, and baseball teams.

It is, therefore, with great eagerness and confidence that we look forward to our remaining year at Warren High and what it holds in store for us.

SOPHOMORES

WHAT a glorious feeling it was to walk into the Warren High School and feel that we were a part of it. That year, 1939, as Freshmen we set to work immediately in choosing our class officers:

WILFRED LOMAS	<i>President</i>
LORETTA MCKALE	<i>Vice President</i>
FRANK KIRKLEWSKI	<i>Secretary</i>
ANTONIO MORRA	<i>Treasurer</i>

Our Freshman days sped by smoothly and we suddenly realized we had become Sophs.

In the fall of 1940 we returned to school and at our first meeting we elected our class officers.

SAMUEL CORREIA	<i>President</i>
ELSIE BRISTOW	<i>Vice President</i>
LORETTA MCKALE	<i>Secretary</i>
ANTONIO MORRA	<i>Treasurer</i>

During this year we held a most successful Hallowe'en Party at which everyone enjoyed himself immensely. This was the main event of our year and we are all looking forward to see what our Junior year holds for us.

FRESHMEN

THE Freshman year is an uneventful one from the standpoint of class activity, social or scholastic. However, some of the Freshman boys found a place for themselves in athletics and have started early in their High School career to represent W. H. S. in sports.

SPORTS

FOOTBALL

THE past football season was not one of the most brilliant in the history of Warren High, but, there were several factors which contributed to the mediocre record.

Lack of material was more pronounced than usual and the lack of experience in the squad made Coach Burdge's task even more difficult.

The team did manage to win two games, however, and made a creditable showing in several others, so that hopes for next year run high.

BASKETBALL

THE athletic drought which struck Warren High last fall continued into the winter and the Basketball season was more or less a repetition of the football season.

Again lack of material was responsible for the indifferent record of the team. We hope Coach Burdge will not be discouraged, because he has shown clearly what he can do when he has material to train.

BASEBALL

COACH BURDGE'S '41 team is a far cry from his State Championship team of '39. The blight (lack of material) which struck his football and basketball teams has also fallen on the baseball situation and it has not been an easy task to make a team out of a squad of twelve. However, the last few games have shown an improvement in the team, and it is expected that the full season record will be fair.

SENIOR CLASS HISTORY

President ALFRED BOSWORTH, JR.
Vice President CHRISTINE INCOLLINGO
Secretary JANE HOLMES
Treasurer JOSEPH MIS
Class Advisor MR. LEO R. BOUTIN

We first entered Warren High in the autumn of nineteen hundred and thirty-seven with aroused curiosity and a willingness to adapt ourselves to the new schedules before us.

The first class meeting was held to elect our class officers:

President MABEL ROSE
Vice President ANN NOLAN
Secretary JANE HOLMES
Treasurer FLORENT DESILETS
Class Advisor MR. JOHN M. HARKINS

Due to the fact that we were mere freshmen we were allowed no socials whatever. Nevertheless we didn't have a dull moment. Moreover, we proved ourselves to be a very social, hard-working and sports-minded class.

In the fall of 1938 we returned to Warren High, embarking on our second year of scholastic endeavor.

At our first class meeting we elected the following class officers:

President MABEL ROSE
Vice President VINCENT FERRAZZANO
Secretary MARY VERA
Treasurer FERDINAND DERENSIS
Class Advisor MISS MARY E. KELLEY

Our only social venture of that year—a Sophomore Hallowe'en Party—was successful beyond expectation, for we wanted to have "Open House" for everyone, and everyone came.

The following year, as full-fledged Juniors we were allowed three social functions.

Our first, a Military Whist, was well attended. Then came "our day"—Junior Class Day. We presented the play "Christmas Dinner", the story of a young girl, Doris Page, who after taking a course in

Home Economics attempted to prepare a Christmas dinner. As a result, the family was compelled to eat ham and cold beans for dinner.

For our Junior dance, the auditorium was decorated in nautical style and everyone pronounced it a huge success.

The greatest event of the year was our Junior Prom; Warren High's auditorium was hardly recognizable under a gala display of beautiful spring flowers.

Class officers of that year were:

President BERT LUTHER
Vice President FRANCES MATULA
Secretary JANE HOLMES
Treasurer JOSEPH MIS
Class Advisor MR. LEO R. BOUTIN

The autumn of nineteen forty found us entering school for the last time and acknowledging the fact that soon we would have to make a niche in this wide world by ourselves.

Discontinuance of the Tomahawk was proposed but the students put their heads together, elected a staff of officers and finally went ahead with its publication.

Buckling down early in the year we held our first Senior Social, which was a dance. Then came a food sale on April 12.

Our annual Easter Monday Dance was held April 14 and proved to be one of our greatest successes.

Throughout our four years, we had been a studious class and with the announcement of Honor Society Awards in April, we found that only one class in the history of the High School had ever had a greater number of its members elected to the Honor Society than ours—that was the class of 1940.

Now with our school days near an end we have at least two great events to look forward to; our graduation from Warren High, and last but not least the Senior Reception, after which we will no longer be students of Warren High but members of the ever-growing body of the Alumni.

LAST WILL AND TESTAMENT OF THE CLASS OF 1941

SCENE: *Courtroom.*

JUDGE: *The court opens this morning with the hearing of parties interested in the will of the class of 1941.*

We the Class of 1941 of the Warren High School, town of Warren, State of Rhode Island, being of sound and disposing mind, publish and declare this to be our last Will and Testament.

- I, TONY ALFANO, do hereby give and bequeath unto Clifford Johnson, my high bowling scores.
- I, CONSTANCE BARDEN, do hereby give and bequeath Walter Baggs' telephone number to next year's Tomahawk Editor. I hope you won't have to use it as often as I did.
- I, CHARLES BESAW, do hereby give and bequeath to my brother Bob, all the energy I use in disturbing members of the faculty.

CLASS PROPHECY

THE "Warren High Bulletin", as it is now called, printed a special issue of their journal for the home-coming of the Class of 1941. HUMOR

MAN: "Waiter, I ordered an egg sandwich and you brought me a chicken sandwich."

WAITER: "Yes sir, I was a little late calling for your order."

. . .

"Pretty quiet place, this," said the visitor in the Warren post office. "Shouldn't imagine anything much ever happens here." "Oh, I don't know," answered the postmaster as he took another puff on his pipe, "things sure do happen sometimes. If you were to be down here next spring you'd see the whole country stirred up."

"You don't mean it! What's on next spring?"

"Ploughing, sir."

. . .

MISS BARRY: "If you sold 10 bales of hay at \$6.00 a bale, what would you get?"

TAYLOR: "A used car."

. . .

MR. HARKINS: "You were a very tidy boy not to throw your orange peel on the floor of the cafeteria. Where did you put it?"

TAYLOR: "In the pocket of the boy next to me."

. . .

MR. BOUTIN: "Most things go to the buyer; but coal goes to the cellar."

. . .

THE JUNIOR CLASS wants to know if you could call snoring sheet music.

. . .

A BOSTON SLICKER went to the barber shop and, seating himself in the chair, said: "Cut the whole three short."

"What do you mean?" asked the barber.

"Hair, whiskers, and chatter," was the reply.

. . .

MEDLEY: "Say, Bob, do you know I fell downstairs with ten bottles of soda and didn't break one of them?"

BOB: "How did you accomplish such a wonderful feat?"

MEDLEY: "I had them inside of me."

. . .

WHITTUM: "Did you ever take chloroform?"

ZEITLER: "No, who teaches it?"

HAMEL: "I know fish is brain food, but I don't care much for fish. Isn't there some other brain food?"

OLIVE: "Well, there's some noodle soup."

. . .

MR. BOUTIN: "If I have talked too long, it's because I haven't my watch with me, and there's no clock in this room."

HAMEL: "There's a calendar right behind you."

. . .

WHAT THEY MIGHT HAVE SAID

DAVID: "The bigger they are, the harder they fall."

HELEN OF TROY: "So this is Paris."

NERO: "Keep the home fires burning."

SAMSON: "I'm strong for you, kid."

NOAH: "It floats."

METHUSELAH: "The first hundred years are the hardest."

. . .

SOPHIA: "Why are you reducing?"

FLORENCE: "Oh, to cut down expanses."

. . .

SAMPSON: "Here's the dime I borrowed from you last year."

RODERIGUES: "You've kept it so long I don't know whether it's worth while for me to change my opinion of you just for a dime."

. . .

IDEAS FOR INVENTORS

The man who invented bread certainly made a lot of dough.

PROFESSOR STRAIT-JACKET forwards these ideas:

To cross kangaroos with raccoons and raise fur-coats with pockets.

To make a 20-foot pole for people who can't touch you with a 10-foot pole.

To install a new pushbutton in cars so the car can collapse and hide in the bushes when you see a lady driver coming toward you.

. . .

BOY: "But why do you keep on calling me Charlie? Didn't I tell you my name is George?"

GIRL: "Of course; but I keep on thinking this is Wednesday night."
